ESTABLISHED IN 1969 BY THE CHURCH OF SCIENTOLOGY TO  
INVESTIGATE AND EXPOSE PSYCHIATRIC VIOLATIONS OF HUMAN  
RIGHTS

Dear CCHR Supporter

Firstly a **HUGE THANK YOU** to all our members, donators, contributors, volunteers and all-round supporters for an amazing 2011. It has been a year of progress and a year to remember!

Many of you have heard—on the grapevine—that I am leaving CCHR NSW after 10 years as the Executive Director. This is true. I am moving to Canberra in early 2012 to start another adventure.

I want to thank all the CCHR volunteers who have worked with me over the years—you know who you are—and I would like to introduce you to Lee Riley who will be officially taking over on 10 January 2012.

Lee has some great plans for CCHR to expand and make even more impact in NSW but I will let him tell you about that.

Meanwhile the last 10 years have been phenomenal. I have made many new friends and I know I have helped save lives—which is what this is all about

Your volunteer help, your generous donations, continued membership and purchase of our DVDs and materials, have enabled us to keep up the promotion and activities ...

From all of us here at the NSW Office, we wish you a **WONDERFUL CHRISTMAS** and a **VERY HAPPY AND PROSPEROUS NEW YEAR** for 2012. We trust we can count on your continued support and should you have any available time to come in and help us, please do so!

Kind regards

*Message from Lee...*

*"Hello and welcome to the period of the year most call the 'silly season'. It really is my favorite part of the year as I look forward to catching up with family in the 'Sunshine State' and reflecting on what the previous year offered up. With that in mind I thought it best to commit to taking on the hat of ED CCHR NSW, as we have a lot of work to do in order to avoid the dubious title of 'The Silliest State'. Our nemesis, Mr Psych has been hard at work right in our own backyard this year dreaming up more ways to label and drug our children so I see our only option is to double our efforts and stymie his plans, and create our own vision of what we want this great state to look like. I am sure you agree and can't wait for the coming year to rally to the cause and bring peace and calm once more to our lands. After all, what better New Years resolution than one in which one decides to rid our society of the 'Christmas Scrooge' and forever after revel in the peace and joy of what a real Christmas is all about. Peace on Earth and Goodwill to All men. Looking forward to working with you in the New Year...Kind regards, LEE*
